

## DB-686 HELEN

LED Curing light

### Feature:

- 1-Dental special high power LED
- 2-Excellent outline design  
Unique technics on the surface, comfortable feeling and easy to be cleaned
- 3-Multi-function Include light curing and oral illumination
- 4-light source is detachable and 360° rotation
- 5-Non-contact recharge design, avoid the poor contact and prevent the liquid from reaching the contact
- 6-Bright light and weak light are available
- 7-Working time for curing light is range from 5~40s
- 8-Battery is detachable, easy to change

### Technical:

Charger working voltage: AC100-240V,50/60Hz	
Curing light:	wavelength:420-480nm power:≥1200mW/cm <sup>2</sup> working time:5s, 10s,20s,40s
Intraoral light:	luminance intensity:≥2500Lux color temperature:5000-6500lux
Volume(cm)	20X14X8.2
Weight(kg)/PCS	0.7
Packing material	carton
QTY per master carton	12 pc/ctn

### Application:

Solidify all brands of resin materials.

This product has been applied layout-design patent,  
Counterfeit must be investigated;NO.ZL201430485143.7

• Unparalleled comfort design

• Curing light and Intraoral light

• Non-contact recharge design
